

Mayfair Florists has been serving the funeral industry for over 70 years, providing friendly, professional service with an attention to detail and catering to customers' individual needs.

The pictured items in this brochure are intended to present an honest reflection of our floral tributes with seasonal changes, the variety of flowers may vary, but at all times the best available flowers and greenery are used. You can be assured that your tribute will be arranged and presented with the utmost care.

We at Mayfair Florists always strive to provide the perfect tribute. We welcome suggestions and can offer assistance to you in designing that memorable floral arrangement.

Kind Regards,
